RCC INSTITUTE OF INFORMATION TECHNOLOGY

RCC Institute of Information Technology (RCCIIT) is a World Bank funded (TEQIP - II) Government aided self financing Engineering College under an autonomous Society of the Dept. of Higher Education Govt. of West Bengal. It was setup in 1999 with an active support and collaboration of Ministry of Information Technology, Government of India and Department of Higher Education, Government of West Bengal.

VISION

Institute will nurture, encourage and produce self-reliant, knowledgeable motivated professionals, capable of meaningful contribution towards the theory and practice of Information and allied Technology, and establish state-of-the art infrastructure and teaching learning system so that it can sustain its place as acclaimed center of excellence, engineering education and research.

SEMINAR OBJECTIVE:

This seminar encourages the faculties and staffs to appreciate the impact of Information and Industrial Technology (IIT) applications in various industries. It highlights the challenges and potentials of implementing IIT in different industries. Leading IIT practitioners from selected University, Colleges and Industries will be invited to share their experiences and insights in this seminar.
