**Venue:** IT dept

**Organizer:** IT Dept & IE(I) Student Branch

### Registration and Attendance Summary

**Registered:** 12 teams

**Attended:** 36

### Event Brief

RTE 2020 is the first national level poster competition on Recent Technological Enhancement organized by IT department. The event aimed towards the students from Engineering and Science background. Posters and technical abstract was invited on various topics related to engineering and science. Initially 32 teams submitted their poster proposals. A peer review process was carried out by inhouse technical experts from RCCIIT from different departments. Finally 12 teams were selected from various institutions and they registered. There was no registration cost.

Teams were invited to present their posters on 18<sup>th</sup> February 2020 at institute premises and all were complemented with participation certificates.

Program was inaugurated by Principal, RCCIIT at 11:00 am followed by a technical talk by Dr. Indrajit Pan, HoD, IT on *Impact of Service Level Agreements in Cloud Computing*.

All teams presented their posters from 12:30 pm to 1:30 pm in designated areas of dept lobby. Valedictory was conducted at 1:45 pm to facilitate all participating teams.

Teams details and their poster topics are enclosed.
