A Workshop On
“Introduction to Cloud Computing and DevOps”
(A connect to alumni program of the department of Electrical Engineering)

Mr. Priyam Banerjee
(Year 2011-2015)
Software Engineer III,
John Deere, Chicago, Illinois, U.S.

Date : May 02, 2022, Monday.
Time : 12 : 00 Noon - 2 : 00 P.M
Venue : Institute Auditorium .

INAUGURATION SESSION (12:00 Noon - 12:15 P.M.): The Program was inaugurated by:

- ❖ **Prof. (Dr.) Anirban Mukherjee** (*Principal (O), RCCIIT*)
- ❖ **Dr. Abhijit Das** (*Associate Professor and FIC Alumni, RCCIIT*)
- ❖ **Prof. (Dr.) Debasish Mondal** (*HOD, EE dept, RCCIIT*)
- ❖ **Mr. Priyam Banerjee** (*Alumnus, EE , RCCIIT*)

The inauguration of the event was started with welcome address by the convener of the program, **Mr. Sarbojit Mukherjee**, Asstt. Prof EE & Alumni Representative of the EE Dept. He has first introduced student organizer to conduct the program as per schedule. Student

organizers then felicitated Mr. Priyam Banerjee with a flower bouquet. After that all invited members were requested for short inaugural speeches.

At first Principal (O), RCCIIT, **Prof. (Dr.) Anirban Mukherjee** has expressed sincere thanks to alumni speaker Mr. Priyam Banerjee for giving his time in this program. He also conveyed sincere thanks to organizing committee of this event. He has talked about the importance of this type of program and suggests department to organize at least once in each semester. Principal Sir has informed that institute has already planned to organize an alumni meet program centrally where all reputed alumni will be invited. He also stated that many of our alumni have shown their interest to contribute and help the institute and students in different ways.

Inauguration talks by Principal (O) Prof. (Dr.) Anirban Mukherjee

After that FIC Alumni, **Dr. Abhijit Das** was requested for his talk. He also conveyed sincere thanks to speaker Mr. Priyam Banerjee and organizing committee of this event. He reiterated the views of Principal Sir about the official Alumni Association of the institute and its necessity in different accreditation programs of the Institute.

Dr. Debasish Mondal, HOD EE, welcomes all the students, invited speaker and faculty members and management of the institute for active support towards organization of this event. HOD, EE mentioned that the knowledge and skill on this IT related subjects are now being essential for the Core branch engineering students. He also concerns about the inadequate participation of students in this program. HOD, EE informed that he has also requested management for approval of physical alumni meet program of the Department.
