Tie-Up with Intel

RCCIIT Kolkata has signed Memorandum of Understanding (MoUs) with Intel India on May8th 2024 in New Delhi. This MoU aims to facilitate the implementation of the AI for Future Workforce Program for our students pursuing B. Tech, BCA and MCA. The MoU Signing program was graced by Mr. Sanjay K Murthy, IAS, Secretary, Higher Education, Ministry of Education, Government of India, Mr. Gokul V Subramaniam, President Intel India; Vice President, Client Computing Group; and General Manager, Client Platform and Systems, Intel, Ms. Shweta Khurana, Senior Director, Asia Pacific Japan - Govt Partnerships & Initiatives, International Govt Affairs Group and Mr. Subhanshu Tiwary, Executive Director, National Institute of Electronics and Information Technology (NIELIT), Ministry of Electronics and Information Technology, Government of India.

The CSE (AI & ML) program at RCCIIT, launched in 2023 with an intake of 60 students, aims to produce highly skilled engineers in Artificial Intelligence and Machine Learning. This program aligns with the institution's vision of addressing market demands for qualified professionals in these fields. The curriculum is enhanced by Intel's "AI for Future Workforce" program, equipping students with technical expertise, social competencies, and career growth skills. It also ensures that students stay updated on the latest advancements in AI and ML. The students of B.Tech CSE, IT and ECE programs are also given exposure to Intel's "AI for Future Workforce" program besides their regular B.Tech curricula so that they get added advantage of AI skilling and AI certification by Intel.
