Circular

Date: 27.03.2022

The Department of EE has constituted a Wall Magazine committee to publish Departmental Wall Magazine "VOLTAZINE" for the Academic session 2021-2022. The editors of the magazine are responsible for invitation and selection of the contents and also coordinate with the other students of the respective years. The contents of the magazine will be purely technical with innovative idea and theme.

This matter is a part of the co-curricular activity of the students as per requirements of MAR and NBA of the Department. The Department will issue certificate to all the committee members and writers of the magazine.
